BOLTON SOUTH DISTRICT SCOUTS
10th ANNUAL PIKE HIKE WEEKEND 2011

www.pikeviewhike.co.uk

INFORMATION

Please ensure that ALL TEAM MEMBERS read this information and understand the rules governing the event.

It should be appreciated that this hike passes through potentially hazardous country and also some of the most beautiful in the West Pennine Moors and should be undertaken only by those who are physically and mentally prepared.

Any walker who has had any acute illness e.g., tonsillitis, influenza, chest infection, etc. in the four weeks prior to the event, should consult his/her doctor before competing.

STARTING ARRANGEMENTS
Team for the Pip Hartley Memorial Hike will be given their team numbers and time to report for the kit inspection on Saturday morning sent to them via post or email, on the week commencing 2nd May 2011. Teams for the Pike View Hike and the Bibby's Farm Yomp will be given their team numbers and kit inspection times when they book in on the Friday night. The walk itself is expected to take between 6 and 8 hours to complete.

The start will be controlled by the organising group and Bolton Mountain Rescue Team.

ALL TEAMS WILL BE INSPECTED BEFORE STARTING TO ENSURE THAT EACH COMPETITOR HAS THE REQUIRED EQUIPMENT. Points will be lost by any team member that does not have all their equipment.

MAP
The map 'Explorer 287 West Pennine Moors' covers the whole of the hike and this is the only map to be used. Only a complete, original, unmarked, Ordnance Survey map may be used – copies are NOT acceptable. Waterproof (laminated) maps may be used, provided teams supply themselves with the appropriate permanent markers for purposes of marking a route – routes marked with dry-wipe markers will not survive the day!

Routes will be presented in the standard Scout Association "Route Card" format (Fact sheet FS120409), therefore please ensure the competitors are able to plot a route, unassisted, using this format.

WALKING INSTRUCTIONS
It is essential that each competitor sign in at each checkpoint, and again on completion of the hike at HQ. We award 4 points per signature at each checkpoint, with a bonus of 4 points if all signatures of the current team members are present. In the event of a team member retiring, the continuing team of 3 may only score a maximum of 16 points for sign-in at each subsequent checkpoint.

PLEASE KEEP TO THE FOOTPATHS/OPEN ACCESS LAND, AND RESPECT THE COUNTRY CODE.

Walking teams must keep together AT ALL TIMES as a team and when on the road keep to the right and in single file.

RESCUE SIGNALS
Teams should note the following signals that will be used by teams in difficulties.

MESSAGE	LAMP AND WHISTLE
Help	6 Flashes/Blasts in quick succession followed by one minute's silence.
Acknowledgement	3 Flashes/Blasts in quick succession followed by one minute's silence.

Teams will be provided with an Emergency Card prior to their departure, which includes telephone contact details for Hike Control. Alternatively, reports of an incident can be made to any checkpoint on arrival. Rescue teams can be contacted from any checkpoint.

RESCUE TEAMS will be in the area throughout the period of the event. If any competitor is unable to continue when in open country, the remaining members of their team should advise the rescue teams through any checkpoint or with the details on the emergency card provided - there will always be a checkpoint open in front and behind each team. It is essential that one person stays with the casualty and at least two people go for assistance. Any team finding another team in distress must assist and see that those in distress are comfortable. They should then ascertain their current location and advise the nearest checkpoint.

HIKE MARSHALS will be operating throughout the event. They are there to help and assist, and to ensure that the event runs smoothly. Please advise your teams that the marshals are in place for their safety, so please follow their instructions if given.
